CONCURRENT ENROLLMENT

The Possibilities Are Endless...

All Utah students have an opportunity to earn high school AND college credits while attending high school. The purpose of concurrent enrollment is to provide a challenging college-level and productive secondary school experience. Join over 27,000 students in our state who have earned over 180,000 credit hours of higher learning last year.

Follow your own path.....

Advantages:

- Time shortened earning a post-secondary degree
- Tuition savings by students and parents
- A very productive senior year
- Early assessment of student's ability to perform at the college level
- An enriching academic experience for high school students
- Increased access to higher education
- A seamless transition from K-12 education to higher learning

CONCURRENT ENROLLMENT

is intended primarily for students in their last two years of high school. Participation by students before their junior year shall be approved by their high school and the Utah State Higher Ed. institution. See our PowerPoint overview at http://www.schools.utah.gov/curr/Early_College/CE.htm

CONCURRENT ENROLLMENT

Am I Eligible?

- If you are a Junior or Senior in high school, possess a desire to seek challenging, rigorous educational opportunities for both high school and college credit, then speak to your high school counselor about the opportunities that await you.
- It is expected that students will have the necessary background and meet the academic requirements to demonstrate success in early college programs,
- Students must have a current Student Education Occupation Plan on file at the participating high school.
- Are you ready to begin a permanent college transcript?

CONCURRENT COURSEWORK

Utah offers over 900 classes for concurrent enrollment credit. Please check the Student tab at the USOE Early College website for classes offered at your school. Content areas include: Math, Science, Social Studies, English, World Languages, Humanities, Education, Fine Art and Career and Technical Education. Concurrent enrollment courses will assist students in earning post secondary degrees and will be 1000 and 2000 level courses offered by Utah System of Higher Education.
